Re: ANC 5B Report, Gallaudet University Master Campus Plan
Mr. Dan Kirby, Director of Construction

Greetings Ms. Mitten,

Please forgive the lateness of this report. In accordance with the statutory requirements, the Advisory Neighborhood Commission 5B gave proper notification of its public meeting April 3, 2003 at the Fifth's District Community Room.

Seven Commissioners constitutes a quorum, twelve commissioners were present at the meeting. On the agenda, Mr. Dan Kirby, Director of Construction, representative of Gallaudet University discuss the Master Campus Plan.

He was gracious to appear before us a second time to give an opportunity to hold community meetings with the commissioner of the Single Member District and attended several other meetings within the neighborhood to discuss their campus plan. Commissioner Black moved that we approve and support Gallaudet University Master Campus Plan seconded by Commissioner Henderson, the motion passed.

Gallaudet University continues to be a supportive partner to ANC5B and the community at large.

Respectfully,

Regina James
ANC5B Chairperson
