STATEMENT OF EXISTING AND INTENDED USES

The Subject Property (Square 3591, Parcels 141/69, 129/103, 129/70, 129/112, and Square 3591, Lot 4) is currently used as the campus for Gallaudet University and is also home to the Laurent Clerc National Deaf Education Center. The original campus plan for Gallaudet University was approved by the Board of Zoning Adjustment in 1972 (BZA Order No. 11093). The approved campus plan was most recently revised in 1992 for a period of ten years (BZA Order No. 15671). The BZA has approved a number of applications involving further processing under the approved campus plans, most recently in 2000 (BZA Order No. 16582).

In the present application, Gallaudet University requests special exception approval from the Zoning Commission for its Facilities Master Plan, 2002-2012. This campus plan serves to establish a framework for the development of capital projects which will support the role, mission, and academic vision of Gallaudet University. The proposed plan incorporates and builds upon the previous plan approvals and shapes the University's development plans for the next decade.
