Re: Case No. 03-02A--Gallaudet University

Dear Members of the Zoning Commission,

The H Street Community Development Corporation supports the application of Gallaudet University for a modification to the existing Campus Plan and Further Processing of the Campus Plan, to convert Denison House from administrative use by the Gallaudet Press, to residential use by up to 12 honor students engaged in an interdisciplinary course of study, along with a faculty advisor.

The H Street CDC encourages the University to continue to work with the community on future developments.

Thank you for your favorable consideration.

Sincerely,

William J. Barrow
Executive Director
