Attention: Mr. Alberto Bastida

Dear Mr. Bastida,

On behalf of Tenleytown Neighbors Association, I am writing to urge the Zoning Commission to support the request of the D.C. Public Libraries to increase the zoning at the site of the Tenley-Friendship Library at 4450 Wisconsin Avenue, N.W. The request would increase the zoning at the site from residential to commercial in anticipation of the scheduled rebuilding of this branch.

This library serves as a community center for the neighborhood and a source of information for the adults and the many students who live in the area. We are looking forward to having a state of the art library at the completion of construction.

Your consideration of this matter is greatly appreciated. If you have any questions, please contact me at the numbers listed below.

Very truly yours,

Cheryl M. Browning
