All of the subject property is currently zoned R-5-B, except for Squares 737 and 739 and the southern half of Square 769, which are zoned C-3-C. The Applicants request a related map amendment from R-5-B to CR for Squares 767 and 768, the northern half of Square 769, and the southern portion of Square 882. The case was set down for hearing on May 12, 2003, as recommended by the Office of Planning.

This case is a companion case to Case No. 03-13, which requests consolidated approval for a portion of the site. Case No. 03-13 is the subject of a separate notice of public hearing but will be scheduled for hearing concurrently with the subject case.

The property has a land area of approximately 945,000 square feet. The property is improved with the Arthur Capper Senior Building and Family Dwellings, the Carroll Apartments, and the Carrollsburg Dwellings, all projects of the DCHA, as well as individual dwellings, vacant land, and the former Department of Public Works transfer station.

The Applicants are seeking PUD approval and rezoning of parts of the site to the CR District in order to redevelop the site with: (1) a total of approximately 1,700 housing units of single family and high-rise and low-rise multi-family units, including market rate units, 707 public housing replacement units, and home ownership units under the Housing Choice Voucher Program; (2) approximately 702,000 square feet of office space in three buildings fronting on M Street; and (3) approximately 51,000 square feet of retail space on the first floors of the office buildings and the high-rise residential buildings. The maximum permitted height along M Street and 2nd Place will be 110 to 130 feet. The maximum permitted height on the remainder of the property will be 45 feet, except for the Senior Housing Building 1 in Square 880, which will have a maximum height of 50 feet. The maximum gross floor area will be approximately 2,845,000 square feet of gross floor area. The developers for the project are Capper/Carrollsburg Venture, LLC and the William C. Smith Company. The builder of the fee simple townhouse lots is Eakin/Youngentob. The architects are Torti Gallas and Partners – CHK and The Lessard Group. Land Use Counsel is Holland & Knight LLP.

The proposed PUD related Zoning Map amendment is to change all of Squares 767 and 768 and parts of Squares 769 and 882 from R-5-B to CR.

The R-5-B District permits matter-of-right moderate density development of general residential uses, including single-family dwellings, flats, and apartment buildings, to a maximum lot

occupancy of 60%, a maximum floor area ratio (FAR) of 1.8 and a maximum height of fifty (50) feet. Under Chapter 24, a PUD in an R-5-B District may have a maximum height of sixty feet and a maximum FAR of 3.0.

The CR District is designed to encourage a diversity of compatible land uses that may include a mixture of residential, office, retail, recreational, light industrial and other miscellaneous uses. The CR District permits a maximum height of ninety feet and a maximum FAR of 6.0, of which no more than 3.0 may be used for nonresidential purposes. Under Chapter 24, a PUD in a CR District may have a maximum height of 110 feet and a maximum FAR of 8.0, of which no more than 4.0 may be used for nonresidential purposes.

The C-3-C District is designed to accommodate important sub-centers supplementary to the Central Business District. The C-3-C District permits medium-high density development, including office, retail, housing and mixed-use development, which is compact in area. The C-3-C District permits a maximum height of ninety feet and a maximum FAR of 6.5. Under Chapter 24, a PUD in a C-3-C District may have a maximum height of 130 feet and a maximum FAR of 8.0.

Proposed amendments to the Zoning Regulations and Map of the District of Columbia are authorized pursuant to Section 1 the Zoning Act of June 20, 1938, (52 Stat. 797), as amended, D.C. Official Code § 6-641.01 (2001), *et seq.* PUDs are authorized under Chapter 24 of the District of Columbia Municipal Regulations (DCMR) Title 11, Zoning.

(5) An explanation of how the person's interest as identified in response to paragraph (4) would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public.
