Subject: Support for Arthur Capper Carrollsburg HOPE VI Zoning Application

Dear District of Columbia Zoning Board Commissioners:

Our Resident Council has been involved with the HOPE VI planning process for a couple of years. In this planning process, we have been allowed adequate input to determine the type of replacement facility, its amenities, as well as, giving suggestions on who the new facility will house.

As the HOPE VI revitalization process moves forward, we will continue to look for ways to influence and participate in the decisions that we know will have a tremendous impact on the lives of the current and future residents of Arthur Capper Senior.

We are pleased to have an opportunity to offer our support of this project and we look forward to occupancy of the new building.

Sincerely,

Fletcher Jones
President

Arthur Capper
Senior Resident
Council
