Re: Case No. 03-14, Petition from ANC 3F to Amend DCMR, Title 11, Section 3202.5(a) [February 2003 edition]

Dear Mr. Bastida:

The Federation of Citizens Associations of the District of Columbia supports ANC 3F's Petition for an Emergency Text Amendment to correct the recently-released February 2003 edition of Title 11 (Zoning Regulations) with respect to Section 3202.5(a). The new edition, released March 14, 2003, significantly alters the codified text that has appeared for the last 12 years in Title 11 on which citizens and citizens associations and others have relied. The Federation requests that the Zoning Commission act to restore the traditional text.

Submission of this letter was authorized by a vote of Federation members on April 22, 2003.

Respectfully submitted,

Francis M. Clarke, III
President
