Dear Madam Chair:

Re: Opposition to the change in the Watergate plan

We are residents of the Plaza, a building directly across the street from the Watergate. We are strongly opposed to the proposed elimination of the Watergate Hotel.

The Hotel is an integral part of the Watergate community. It is part of what makes this neighborhood one of the most attractive areas of the District. Our friends and family stay at the hotel when they visit. And we often dine in the hotel restaurant. This major change from the proven plan is unnecessary, and will have an undesirable effect on the quality of our residence. I urge that the present plan be preserved.
