STATEMENT OF JAN MUNHALL-HOUTS
BEFORE THE
ZONING COMMISSION

2 March 2004

Good evening. My name is Jan Munhall-Houts, and I live at Watergate East. I feel passionately about the urgency of settling this sale with Monument Realty. I believe this will not only retain but enhance the quality of life expected by Watergate residents. At the same time, the conversion of the hotel to luxury cooperatives will bring in greater tax revenues to the city and protect the ambiance of this unique and historic group of buildings. Thank you.
