Ms. Carol J. Mitten, Chair
The Zoning commission of DC, Room 210
441 4th Street, NW Washington DC 2001

Dear Mrs. Mitten

Regardless of the outcome of the Watergate/Monument case, I want to take a moment to thank you and your Commissioners for a most professional and courteous evening of presentations.

You were kind, attentive and amusing and respectful. I watched, before going on, and witnessed the specific attention you gave to each presenter.

Half the people present at the hearing had never had the experience before, but came away with a new respect for the work that you do.

The Zoning Commission Board and its Chair, are a credit to the District and I will copy this note to the Mayor's office.

Many thanks,

Kerry H. Stowell
