REZONE NO!

Petition to Oppose Rezoning the Watergate Hotel

By Watergate East Residents 2510 Virginia Ave, NW Washington, DC 20037

Case number: 0316

Applicant: Monument Realty LLC

Property address: Watergate Hotel, Foggy Bottom

We Watergate East Inc (WEI) residents respectfully ask that the Zoning Commission to reject the applicant's request to rezone the Watergate Hotel. If the Hotel and its services are brought to an end, the lives of many of us at WEI will be substantially diminished.

The Health Club is especially important. The Club's professional trainers and masseurs have especially helped our elderly residents to retain their mobility and health.

Many of our elderly come to on the Hotel's restaurant for meals and for a place to entertain family and visitors. The Hotel has always served as lodging for our visiting children and grandchildren. In this enclosed setting, we easily come and go from Hotel to apartment without crossing one dangerous street.

We respectfully ask that you honor our request to not rezone the Watergate Hotel. Thank you for your interest.
