Dear Madam Chair:

RE: Opposition to the change in the Watergate plan

I am a resident of Watergate South. I am strongly opposed to the proposed elimination of the Watergate Hotel.

The Hotel is an integral part of the Watergate community. It has contributed to making this one of the most attractive areas in the District. This major change from the proven plan is unnecessary, and will have a highly undesirable effect on the quality as well as the value of my residence. I urge that the present plan be preserved.
