FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 03-16 (PUD Modification – Watergate Hotel)

THIS CASE IS OF INTEREST TO ANC 2A

On May 7, 2003, the Office of Zoning received an application from BRE/Watergate LLC. The Applicant is requesting approval of a modification to an approved planned unit development to have the option to convert the existing Swissôtel at the Watergate to an apartment house of no more than 155 units. The Office of Planning provided its report on May 30, 2003, and the case was set down for hearing on June 9, 2003. The Applicant provided its prehearing statement as part of its application on September 25, 2003.

The property that is the subject of this application consists of approximately 37,897 square feet of land area and is located at 2650 Virginia Avenue, N.W. (Square 8, Lot 807). The subject property is zoned SP-2.

The Applicant proposes to have the option to convert the existing hotel to an apartment house of no more than 155 units. The building will also contain a health club and restaurant on the lower levels. Most of the modifications to the building necessary to effect the conversion will be internal to the building. Exterior changes will include the replacement of windows, the construction of six (6) carports on the surface adjacent to the pool at the rear, and the construction of additional stairways for access from the top floor units to the roof. A total of 146 parking spaces will be provided.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.

How to participate as a witness.

Interested persons or representatives of organizations may be heard at the public hearing. The Commission also requests that all witnesses prepare their testimony in writing, submit the written testimony prior to giving statements, and limit oral presentations to summaries of the most important points. The applicable time limits for oral testimony is described below. Written statements, in lieu of personal appearances or oral presentation, may be submitted for inclusion in the record.

How to participate as a party.

Any person who desires to participate as a party in this case must so request and must comply with the provisions of 11 DCMR § 3022.3.

A party has the right to cross-examine witnesses, to submit proposed findings of fact and conclusions of law, to receive a copy of the written decision of the Zoning Commission, and to exercise the other rights of parties as specified in the Zoning Regulations.

Except for the affected ANC, any person who desires to participate as a party in this case must clearly demonstrate that the person's interests would likely be more significantly, distinctly, or uniquely affected by the proposed zoning action than other persons in the general public. Persons seeking party status **shall file with the Commission, not less than fourteen (14) days prior to the date set for the hearing, a written statement containing the following information:**

(a) The person's name, address, and daytime telephone number;

(e) A list of witnesses who will testify on the person's behalf;

(f) A summary of the testimony of each witness;

(g) An indication of which witnesses will be offered as expert witnesses, the areas of expertise in which any experts will be offered, and the resumes or qualifications of the proposed experts;

(h) The total amount of time being requested to present their case; and

(i) A written statement setting forth why the person should be granted party status, including reference to the following:

(1) The property owned or occupied by the person, or in which the person has an interest, that will be affected by the action requested of the Commission;

(2) The legal interest the person has in said property, such as owner, tenant, trustee, or mortgagee;

(3) The distance between the person's property and the property that is the subject of the application before the Commission;

(4) The economic, social, or other impacts likely to affect the person and/or the person's property if the action requested of the Commission is approved or denied; and

(5) An explanation of how the person's interest as identified in response to paragraph (4) would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public.

The applicant shall also provide the information indicated in (e) through (h) to the extent that the information is not contained in the Applicant's prehearing submission as required by 11 DCMR § 3013.1. The information shall be filed no later than fourteen (14) days before the date of the hearing.
