FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 03-16 (PUD Modification – Watergate Hotel)

THIS CASE IS OF INTEREST TO ANC 2A

On May 7, 2003, the Office of Zoning received an application from BRE/Watergate LLC. The Applicant is requesting approval of a modification to an approved planned unit development to have the option to convert the existing Swissôtel at the Watergate to an apartment house of no more than 155 units. The Office of Planning provided its report on May 30, 2003, and the case was set down for hearing on June 9, 2003. The Applicant provided its prehearing statement as part of its application on September 25, 2003.

The property that is the subject of this application consists of approximately 37,897 square feet of land area and is located at 2650 Virginia Avenue, N.W. (Square 8, Lot 807). The subject property is zoned SP-2.

The Applicant proposes to have the option to convert the existing hotel to an apartment house of no more than 155 units. The building will also contain a health club and restaurant on the lower levels. Most of the modifications to the building necessary to effect the conversion will be internal to the building. Exterior changes will include the replacement of windows, the construction of six (6) carports on the surface adjacent to the pool at the rear, and the construction of additional stairways for access from the top floor units to the roof. A total of 146 parking spaces will be provided.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.
