PLEASE ... we don't want to see Tenleytown become Tysons III or even Bethesda II.

Your developers' dream is going to be our neighborhood nightmare. Please enforce exisiting zoning laws -- not change them!

On top of the extra density, traffic, pollution, noise, danger etcetera this will cause, it's an added slap in the face that DC won't even reap any tax benefits from Donohoe, Martens and others. What exactly is going on here?

Keep our neighborhood at the scale it was meant to be. Don't sell us ordinary citizens out to developers for nothing.

Sincerely,
Betty Johnson
