RE: Request by George Washington University (GWU) for a Minor Streetscape Revision to the Consolidated PUD for GWU Square 103 Residence Hall, Zoning Commission Order #03-29, at 2025 F Street, NW

Dear Chairperson Mitten:

At its regularly scheduled meeting on February 15, 2005, the Foggy Bottom and West End Advisory Neighborhood Commission (Commission or ANC 2A) considered a request by GWU for a minor streetscape revision to the Consolidated PUD for GWU Square 103 Residence Hall, Zoning Commission Order #03-29, located at 2025 F Street, NW. With five of six commissioners in attendance, a quorum at a duly called public meeting, the following motion was approved:

> The Foggy Bottom and West End Advisory Neighborhood Commission has no objections to a request by George Washington University for a minor streetscape revision to the Consolidated PUD for GWU Square 103 Residence Hall, Zoning Commission Order #03-29, at 2025 F Street, NW.

GWU officials testified before ANC 2A that the minor streetscape changes are necessary to accommodate a third transformer vault as required by PEPCO (two vaults were originally planned). It was noted that the university will replace the larger planter in the original plans with two smaller planters on either side of the additional vault.

As this location is in my Single Member District, I will serve as the Commission's representative on this matter. Please feel free to contact me on (202) 607-8429 or by email at vnm3@earthlink.net for additional information.

ON BEHALF OF THE COMMISSION:

Sincerely,

Vince Micone
Chairperson
