Subject: Z.C. Results: 04-02

The hearing for the above-referenced matter concluded this evening. The record was left open for specific requested items, i.e. volumetric study showing the area proposed for rezoning, what the points of measurement for building heights will be, parameters of the large tract applications - past and present. These documents are due by noon, July 7th. It is anticipated that this matter will be on the July agenda.
