Re: Case No. 04-04

Dear Ms. Mitten:

The Advisory Neighborhood Commission (ANC) 7C, is requesting an extension of four weeks in the case cited above. At your 13 December 2004 Hearing, the Board requested of Arnold and Porter, representatives for the George Washington Carver proposed Senior's Building, to submit a Revised Proposal for the project. As of this date, 1 February 2005, the ANC has not received a copy of the revised proposal. Was it submitted to the Board?? Apparently, Arnold and Porter forgot to forward a copy of the revisions to ANC 7C and due to this apparent oversight, we are requesting an extension in this matter, with the intentions of responding to the revisions once we receive a copy of them.

We look forward to hearing from you regarding this matter.

Sincerely,

Advisory Neighborhood Commission 7C
Catherine A. Woods, Commissioner 7C03
