Dear Ms Giordano

The Office of Zoning has received and reviewed the application for the application cited above, which requests

> Second stage approval of a planned unit development for 49 4 acres constituting part of the St. Elizabeth's Hospital – East Campus in Southeast Washington (Parcel 234, Lot 38).

The Office of Zoning has determined that your application is complete, that it meets the basic filing requirements, and that the filing fee is waived because the property will be used for a government purpose. This application has therefore been accepted for processing.

The initial consideration given to the application concerns whether the Commission should set the case down for a public hearing The OP will make a recommendation on that issue to the Zoning Commission at one of its monthly meetings The Zoning Commission generally meets on the second Monday of each month (with some exceptions) in the Office of Zoning Hearing Room, Suite 220, 441 4th Street, N W , Washington, D C 20001.

Please contact this office no later than the Thursday before the second Monday of each month to determine the meeting at which the Commission will consider your filing. If you have any questions, please call the Office of Zoning on (202) 727-6311

If you have any questions, please call the Office of Zoning at (202) 727-6311
