Re: The Carnegie Institution of Washington
Application for Campus Plan Amendment & Request for Expedited Hearing
5421 Broad Branch Road, N.W.; Square 2288, Lot 813

Dear Ms. Mitten:

Enclosed you will find the original and twenty (20) copies of the Application of the Carnegie Institution of Washington, with supporting documents, and filing fee of $2,500.00, for an amendment to its existing campus plan at the Property. The Carnegie Institution is seeking to construct an addition to an existing building which will increase the floor area ratio of all improvements at the Property from .882 to .89 FAR and a concrete pad for a generator. Otherwise, the use and improvements for the campus remain the same as previously approved.

Based on the minor nature of the requested application and the Advisory Neighborhood Commission's previous support of the proposed relief, pursuant to section 3116 of the zoning regulations, we hereby request an expedited hearing on this matter. We are scheduling a meeting with the Office of Planning to request their support of this request for an expedited hearing.

Thank you for your attention to this matter.

Sincerely,

ROBINS, KAPLAN, MILLER & CIRESI L.L.P.
