Mr. Anthony Hood
Chairman
District of Columbia Zoning Commission
441 Fourth St., Suite 200 South
Washington, DC 20001

Dear Chairman Hood:

I am writing in regard to Zoning Commission Case No. 04-14C/01-31TE/98-17F/95-16P or Florida Rock. I would like to confirm that we have worked closely with Florida Rock Properties and their architects over the last few months to coordinate the design of the plaza area of their project with the design plans for Diamond Teague Park, the adjacent property to the east being developed by the District of Columbia. We are quite pleased with the result of this coordination effort.

We look forward to continuing to work with Florida Rock Properties to make both projects positive additions to the Anacostia Waterfront.

Sincerely,

Judith C. Greenberg
Special Assistant
