

JONATHAN FITCH
PRINCIPAL ASLA

ZONING COMMISSION

CASE No. 04-14

EXHIBIT No. 44

EDUCATION

Master of Landscape Architecture, University of Michigan, 1982
Design Studies in the School of Architecture, Washington University, 1974

EXPERIENCE

Mr. Fitch has extensive experience in the master planning, site planning, landscape design, management and implementation of a broad range of projects nationwide and in Europe. He has designed the landscapes for major office developments and individual office buildings, institutions, urban and suburban housing projects, downtown master plans, urban squares and streetscapes, large recreation plans and small parks.

In addition, Mr. Fitch has been active in design education. He taught in Harvard University's Graduate School of Design for two years and served on the faculty of the School of Architecture at Howard University for five years. He has also taught at the Rhode Island School of Design, the University of California at Los Angeles, the Catholic University of America and the University of Maryland.

Over the past twenty five years, Mr. Fitch has directed the design for and managed the following significant projects:
