Carol Mitten
Chair
Zoning Commission
441 4th St. NW
Washington, DC 20004

Dear Ms. Mitten:

I am writing to request that the Zoning Commission postpone its hearing scheduled for the evening of October 28, 2004 on the topic of the zoning overlay in Takoma, DC. The hearing will take place at the same time as the regularly scheduled meeting of Advisory Neighborhood Commission 4B. Three of ANC 4B's Commissioners, Faith Wheeler, Doug Payton, and Judi Jones represent areas that are directly affected by the Zoning Commission's hearing this evening. All three are in support of a postponement. Because of this conflict, these three Commissioners are forced to choose between representing their constituents on a variety of important issues at tonight's ANC meeting, our last meeting prior to the election, and representing their constituents on the zoning overlay issue in front of the Zoning Commission. Addressing the zoning overlay issue at a later date will allow the three Commissioners to most effectively represent their constituents.

If you are unable to postpone this evening's hearing, I hope that you will be able to schedule a second hearing to address this issue and/or leave the record open for an additional period of time, allowing the three affected ANC 4B Commissioners to file written comments reflecting discussions at this evening's ANC meeting.

Thank you for your consideration.

Respectfully,

Jeffrey H. Tignor
Chair, ANC 4B
