Re: Modification of Condition 10 of the George Washington University (GWU) Campus Plan, ZC Case No. 04-23 -- The Hall on Virginia Avenue -- Hearing December 2, 2004

Dear Chairman Mitten:

The Foggy Bottom Association (FBA), a neighborhood association whose membership approaches 500 persons, and whose Bylaws proclaim its objectives as:

> "...to further the civic, cultural, social and economic welfare of the Foggy Bottom/West End community; preserve and enhance the residential character of the community, and promote historic preservation in the area."

requests party status in the above case, and by this letter, gives notification that it plans to testify before the Zoning Commission at its hearing December 2, 2004, in opposition to the University's request for this modification of the Campus Plan.

Respectfully submitted,

Ron Cocome
