Re: Application of The Catholic University of America to the District of Columbia Zoning Commission

Dear Chairperson Mitten and Members of the Commission:

On behalf of the Pope John Paul II Cultural Center, I am writing this letter to express my support for The Catholic University of America's application to the Zoning Commission for the further processing of its Campus Plan and for the rezoning of the recently acquired Soldiers' and Airmens' Home. The Pope John Paul II Cultural Center is located immediately north of the newly acquired property. The proposed zoning and use of the property by the University will be a benefit to the area. The proposed plan involves the retention of significant open spaces.

We have always had a positive relationship with the University and we look forward to the University's use of its new campus. I urge you to support The Catholic University of America's application to the Zoning Commission. Thank you for your consideration.

Sincerely,

William A. Kerr
