Z.C. ORDER NO. 04-28
Z.C. Case No. 04-28
(Text Amendments – 11 DCMR)
(Department of Motor Vehicles – Driver's License Road Test Facilities)
June 13, 2005

The Zoning Commission for the District of Columbia, pursuant to its authority under § 1 of the Zoning Act of 1938, approved June 20, 1938 (52 Stat. 797, as amended, D C Official Code § 6-641.01); having held a public hearing as required by § 3 of the Act (D.C. Official Code § 6-641 03); and having referred the proposed amendments to the National Capital Planning Commission for a 30-day period of review pursuant to § 492 of the District of Columbia Charter; hereby gives notice of the adoption of amendments to § 199 (Definitions), § 501 (Uses as a Matter of Right (SP)), § 601 (Uses as a Matter of Right (CR)), § 721 (Uses as a Matter of Right (C-2)), § 801 (Uses as a Matter of Right (C-M)), § 901 (Uses as a Matter of Right (W)), and Chapter 21 (Off-Street Parking Requirements) of the Zoning Regulations (Title 11 DCMR) The amendments will permit Driver's License Road Test Facilities as a matter of right within the Special Purpose, Mixed Use, Commercial (except C-1), Industrial (C-M and M) and Waterfront District (except in W-0 and W-1) zone districts The Commission took final action to adopt the amendments at a public meeting held on June 13, 2005

This final rulemaking is effective upon publication in the *D C Register*

Existing Regulations

The existing regulations do not provide a use that adequately meets the needs of the District of Columbia Department of Motor Vehicles ("DMV") for its road testing facilities Without these amendments, DMV would need to obtain variance relief to expand or establish new road testing facilities, except within the Central Area where District government uses are not subject to Zoning This would inhibit DMV's plans to locate its facilities in appropriate and convenient locations the District

Description of Text Amendment

The Commission initiated this rulemaking in response to a petition filed by the Office of Planning on behalf of DMV. The text amendment accommodates DMV Driver's License Road Test Facilities by defining a DMV Driver's License Road Test Facility as a "building and associated paved area used by the District of Columbia Department of Motor Vehicles in connection with road tests or other tests of driving ability given to applicants for drivers' licenses or endorsements," permitting such facilities as a distinct use in the zone districts described above, and establishing off-street parking requirements for the facilities.

Relationship to the Comprehensive Plan

The amendment is not inconsistent with the goals of the Comprehensive Plan and is consistent with the following sections of the Comprehensive Plan: § 102 3, which advocates improving public facilities in order to stabilize the District's neighborhoods, § 601 which recommends the District provide adequate and energy-efficient public facilities in good condition to support the cost-effective delivery of municipal programs and services, and § 606 1 which expresses the objective to locate public facilities to provide optimum service and to support the land use, transportation, economic and social development, and neighborhood improvement objectives

Public Hearing and Proposed Action

The Commission held a public hearing on March 17, 2005, and took proposed action immediately thereafter to approve the advertised text, except the provision that would have permitted DMV Drivers' License Road Test Facilities in W-1 Zone Districts The Commission felt that such facilities would not be compatible with that Zone District or with the goals of the Anacostia Waterfront Imitative A Notice of Proposed Rulemaking was published in the *D C Register* on April 8, 2005 at 52 DCR 3649, for a 30-day notice and comment period. No comments were received.

The proposed rulemaking was also referred to the National Capital Planning Commission ("NCPC") pursuant to § 492 of the District of Columbia Charter NCPC, by report dated April 28, 2005, found that the proposed text amendment would not adversely affect the federal interests nor be inconsistent with the Federal Elements of the Comprehensive Plan.

The Office of the Attorney General determined that this rulemaking meets its standards of legal sufficiency
