Re: Proposed text amendment to the Zoning Regulations that would permit Fire Stations as a matter of right within any zone district. (Case # 04-29)

Dear Ms Mitten

At its regularly scheduled public meeting of March 14, 2005, by a vote of 6 to 0 (a quorum being four) ANC 3/4G requests that the Zoning Commission reconsider the proposed text amendment allowing Fire Stations as a matter of right within any zone district It is our opinion that Fire Stations should be allowed in R1, R2 and R3 districts only if there is no other reasonable alternative to its location and not as a matter of right

Sincerely,

Robert Gordon
