NOTICE OF INTENT TO FILE A ZONING APPLICATION

Application to the
District of Columbia Zoning Commission
for
Consolidated Approval of a Planned Unit Development

Faison Enterprises, on behalf of Jemal's Citadel LLC. (collectively "Applicants"), hereby gives notice of its intent to file an application for a consolidated review and approval of a Planned Unit Development ("PUD") and Zoning Map Amendment with the District of Columbia Zoning Commission under Chapter 24 of the District of Columbia Zoning Regulations (11 DCMR § 2400 *et seq.* (February 2003)). The application will be filed with the Zoning Commission not less than ten (10) days from the date of this notice. This notice is given pursuant to § 2406.7 of the Zoning Regulations.

The property that is the subject of this application consists of Lot 36 in Square 2562, a site currently occupied by "the Citadel." Square 2562 is located in the Northwest quadrant of the District of Columbia. Square 2562 is surrounded by Euclid Street to the north, Sixteenth Street to the east, Kalorama Road to the south, and Seventeenth Street to the west. The Citadel lot consists of nearly an acre of land, the land being located at the southwestern corner of the Square. This land is part of the Reed-Cooke (RC) overlay zone that applies in conjunction with C-2-B base zoning. The Applicants do not contemplate a change of zoning. They plan to renovate the existing building, which covers over 95 percent of the lot.

The Applicants intend to convert the existing domed building's main floor into a new full-service, full feature grocery store. Apart from parking, each of the two floors *below* the grocery store includes areas suitable for retail and other commercial uses. These are located at the corner of Seventeenth Street and Kalorama Road. *Above* the grocery store, a new floor with an additional mezzanine would be created, all within the expanse of the Citadel's signature, its striking existing dome.

All current garage parking spaces would be retained and parking areas previously converted to warehouse purposes would be restored to provide additional parking. The overall project will have an overall floor area ratio ("FAR") of approximately 2.3. There will be approximately 130 parking spaces provided in the below-grade garage, sufficient to meet the needs of both the grocery store and other commercial areas. Loading for the grocery store would be through a fully enclosed area previously used for the same purpose by prior owners and tenants along Seventeenth Street.

The Applicant for this proposal is Faison Enterprises, on behalf of Douglas Development; the architect for the site is Esocoff and Associates; and land use counsel is Holland & Knight LLP.

Should you need any additional information regarding the proposed PUD application, please contact Norman M. Glasgow, Jr., Esq., of Holland & Knight LLP at (202) 955-3000.
