Re: Zoning Commission Application No. 04-30-
The Citadel

Dear Chairman Mitten:

As the Councilmember for Ward One, where this project is located, I wanted to express my support for the proposed development being set down for public hearing so that at that subsequent hearing full discussion of the issues, opportunities and challenges surrounding the proposal can be discussed in the detail they merit.

Thank you for considering my comments on this very important project, and I look forward to participating during the public hearing process.

Sincerely,

ZONING COMMISSION
