# STATEMENT OF EXISTING AND INTENDED USES

Since 1963, the Subject Property (Square 2155, Lot 802) has served as the campus for Harvard University's Center for Hellenic Studies. This use of the Subject Property was first approved by the Board of Zoning Adjustment in BZA Order No. 6430.

In the present application, the Trustees for Harvard University request special exception approval from the Zoning Commission for its campus plan. This campus plan serves to describe the role, mission, and academic vision of the Trustees for the Center for Hellenic Studies and to identify the few capital projects anticipated in support thereof. The proposed plan incorporates and builds upon the previous approvals and shapes the Center's development plans for the next decade.
