HEARING BEFORE THE ZONING COMMISSION

SANDRA "S.S." SEEGARS, CHAIRPERSON ADVISORY NEIGHBORHOOD COMMISSION 8E

Advisory Neighborhood Commission (ANC) 8E supports Zoning Case No. 04-33, Text Amendment – Inclusionary Zoning Overlay; therefore, any ANC 8E Commission member may appear before the Zoning Commission to represent ANC 8E in its position. We voted unanimously on Resolution: Zoning Case No. 04-33, Text Amendment – Inclusionary Zoning Overlay.

The ANC 8E 2005 Commission members are Sandra "S.S." Seegars, Leon Swain Jr., Sandra (SV) Williams, Melvin Sims, and Christopher Hawthorne.

ANC 8E supports the production of new units of not only affordable housing, but below market rate housing as well, for low and moderate-income residents. We support creating homeownership opportunities for the same class of residents.

The adoption of the text amendment for Inclusionary Zoning will ensure adequate housing for the rich, the poor, and the moderately income residents, thereby, including all salaried residents, and displacing none.

RESPECTFULLY SUBMITTED,

SANDRA "S.S." SEEGARS,
CHAIRPERSON 8E
