Re: Zoning Commission Case No. 04-33A, Map and Text
 Amendments Inclusionary Zoning Overlay District

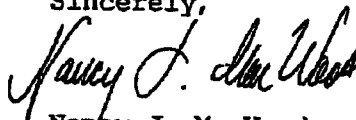

Dear Ms. Mitten,

Advisory Neighborhood Commission 3C requests that the record remain open on the above referenced case until the end of October 2006 so that the Commission has an opportunity to consider the map and text amendments at a public meeting.

Commissioners were briefed by the Office of Planning on this case after our September 2006 public meeting and we will not meet again until October 16, 2006. We intend to consider a resolution commenting on this case at the October 16 meeting. In order to give ANC 3C and other ANCs and community groups that may have had insufficient time between the Office of Planning briefing and the Zoning Commission's hearing schedule to consider comments on the specifics of the text and map amendments, I respectfully request that the record remain open until the end of October 2006. I think that would be a reasonable amount of time for any interested ANCs and community groups to formulate positions and have them considered at public meetings.

I want to thank you in advance for your consideration of this request. I have informed the Office of Planning that I would make this request and I have been told that the Office of Planning would support an extension of time for comments.

Sincerely,

Nancy J. MacWood
 Chair, ANC 3C
