Re: Case No 04-34 (Text Amendments—Use of Pervious Parking and Driveway Surfaces)

Dear Zoning Board Commission

We have just reviewed your proposed amendments to rules §§2117, 2303, and 2403 of the Zoning Regulation (11 DCMR). We appreciate your efforts in allowing the use of pervious surfaces for parking spaces and driveways We strongly support these proposed amendments since they will help reduce stormwater pollution into the Anacostia, Potomac, and Rock Creek Rivers We would like to express our thanks for your help in moving forward with these proposals to help improve water quality in DC's waterways

Sincerely,
