**THIS CASE IS OF INTEREST TO ALL ANCs**

On November 22, 2004, the Office of Zoning received a petition from the Zoning Advisory Committee (the "petitioner") for approval of a text amendments to §§ 199, 2117 3, 2117.4, 2117.10, 2303.1(a), and 2304 9(h) of the Zoning Regulations

The petitioner is proposing the adoption of a policy that allows and encourages, but does not mandate, the use of pervious materials, either alone or together with "bioremediation" rain gardens

This request is not inconsistent with the Comprehensive Plan of the District of Columbia
