Re: Zoning Advisory Committee Zoning Text Amendment to Allow, But Not Mandate, Use of Pervious Materials

Dear Chairperson Mitten and Members of the Commission,

ANC 6C, at its regularly scheduled and duly noticed meeting, with a quorum of 8 Commissioners present on January 12, 2005, voted unanimously to support enactment of the Zoning Advisory Committee's Zoning Text Amendment to allow and encourage, but not mandate, use of pervious paving for certain parking and related facilities.

The ANC welcomes these amendments because it has long been an advocate of bioremediation rain gardens.

Sincerely,

Mark A Dixon

ANC 6C Chairman Mark Dixon
