**Re: ZC Case No. 05-02
Recreational Space Requirement**

Dear Board Members,

At its regularly scheduled and properly noticed meeting on October 11, 2006 with a quorum present, ANC 6B voted 6-1 to support the elimination of this requirement. However, should the Zoning Commission believe it is necessary to tie the relief from this requirement to other actions by a developer, ANC 6B recommends that relief be tied to a requirement for ground floor retail space.

Please notify the Commission if you have any questions or comments.
