Dear Board Members, it has come to my attention that the a letter dated October 11<sup>th</sup> mailed to you regarding our recommendations on ZC Cases # 05-02 misstated the date of our Commission meeting. The letter listed October 11<sup>th</sup> as the date of the Full ANC Meeting, when they should have listed October 10<sup>th</sup>. The purpose of this memo is to provide you with a corrected replacement letter.

I am sorry for the error in reporting.

Please contact me if you have any questions or comments regarding this matter.

Thank you in advance for your understanding in this matter.

**Re: ZC Case No. 05-02  
Recreational Space Requirement**

Dear Board Members,

At its regularly scheduled and properly noticed meeting on October 10, 2006 with a quorum present, ANC 6B voted 6-1 to support the elimination of this requirement. However, should the Zoning Commission believe it is necessary to tie the relief from this requirement to other actions by a developer, ANC 6B recommends that relief be tied to a requirement for ground floor retail space.

Please notify the Commission if you have any questions or comments.
