Secretary Shellin

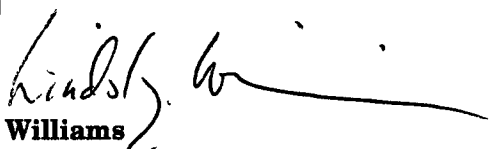

This is to advise that the law firm of Holland & Knight LLP plans to testify at the hearing on Residential Recreation Space (ZC Case 05-02) on the evening of Monday, November 6, 2006. I will appear as the witness and request that our participation be recognized as that of an organization for time allocation purposes.

We will testify in favor of the proposal to repeal the existing provisions and against the alternative sought by the Office of Planning. We will also likely support changes to the roof structure provisions.

You will receive a hard copy of this email, with original signature, by hand delivery later today or tomorrow.

Thank you
