RE: Case No. 05-06 Georgetown University Hospital – CyberKnife Addition

Dear Ms. Kress:

On May 3 2005, ANC 2E held a public meeting which was duly noticed and attended by all seven commissioners. The above-referenced item was on the agenda and after discussion the following resolution was unanimously passed:

> **Resolved**, that ANC 2E enthusiastically endorses the proposed addition to the Bles Building of the Georgetown University Hospital to house an additional CyberKnife to be used for radiation treatment. We do so with the understanding that prior to acting on the application the Zoning Commission will conduct the second stage review of the University's compliance with the existing Campus Plan as is required by the applicable regulations in Title 11, DCMR. At the same time, ANC 2E is sensitive to the need to move forward swiftly in review of this project and trusts that the second stage review can be conducted expeditiously, keeping in mind the medical needs of future patients.

Thank you for giving us the opportunity to submit our comments the day before your scheduled hearing of May 5 2005. If you have any questions, please call our office at 338-7427.

Sincerely,

Ed Solomon
