Dear Mr. Washington,

The Committee on Unauthorized Practice is investigating whether you have been or are engaged in the unauthorized practice of law in violation of D.C. Court of Appeals Rule 49. Rule 49 prohibits any person from practicing law in the District of Columbia unless he or she is a member of the D.C. Bar or qualifies for one or more of the specified exceptions to Rule 49. Both the text of Rule 49 and the official commentary can be found on the D.C. Bar's website: http://www.dcbar.org/for_lawyers/courts/court_of_appeals/rule49.cfm.

To conduct our investigation, we need the following information from you:

1. Identify the date that you began practicing law in the District of Columbia and the date you first maintained an office in the District. If you content that you have not engaged in the practice of law in the District of Columbia (as those terms are defined in Rule 49), please provide a complete explanation of the basis of that contention.

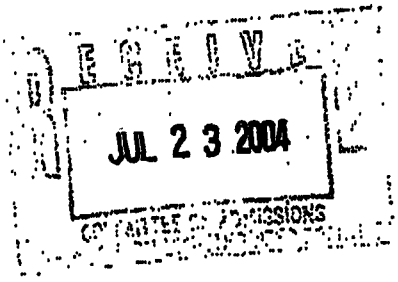

2. Describe each type of matter that you have handled as a lawyer practicing in the District of Columbia. If you have provided legal services in any federal or local agency matters or have appeared as counsel of record in any local or federal court in the District of Columbia, identify each such proceeding, and provide sample pleadings from each such proceeding showing how you are listed as counsel.

3. Identify any exception to the general prohibition in Rule 49 that you contend applies to you, along with a detailed explanation of why such exception applies and whether any portion of your practice does not fit within any such exception.

4. State whether you have ever considered applying for membership in the D.C. Bar and, if so, why you decided not to apply.

5. Identify all jurisdictions where you are admitted to practice law.

6. Please provide copies or samples of all stationery, business cards, Martindale Hubbell listings, listing on a website, and other business or marketing documents that you have used in your legal practice, and a detailed explanation of whether the disclosure of your Bar membership and the scope of your practice in each of these documents complies with the requirements of Rule 49.

You should feel free to provide any other information or documents that you believe bears on whether you have complied with Rule 49.

The Committee requests a complete response to the questions raised in this letter within three weeks of the date of this letter, or March 26, 2004. Thank you for your prompt attention to this matter.
