Re: Correction to a Typographical Numbering Error in Hostelling Text Amendment, Z C
Case No 05-12

Cc: Damali Kajubi, Office of Documents

I am writing to request your assistance in correcting a typographical numbering error that occurred when the Zoning Commission issued a Notice of Final Rulemaking for Zoning Commission Case No. 05-12 (Hostelling International Text Amendment) published at 53 D C Reg. 2671 (April 7, 2006). The Hostelling International text amendment was intended to accomplish two things: (1) amend the definition of "inn" found in § 199 of the Zoning Regulations, and (2) add a new sub-section to 11 DCMR § 1706.

In the Notice of Final Rulemaking prepared by the Commission, the new sub-section was listed as 11 DCMR § 1706 20. This was incorrect. A sub-section 11 DCMR § 1706 20 already existed at the time. The new sub-section should have been numbered 11 DCMR § 1706 29.

I am writing to request that you prepare an errata form to correct the error, as discussed with our attorney, Jacob Ritting. Please advise of publication date and if additional information is required. I can be reached at 202-727-0340, if you have any questions.
