**Re: View 14 Investments, LLC / ZC Case No. 05-22A
Revised Application Statement and Request for Setdown Meeting**

Dear Members of the Zoning Commission:

On behalf of the above-named applicant, we respectfully request that the Commission accept this revised application statement seeking a modification of an approved PUD. Specifically, the applicant seeks to modify the PUD approved at 2303 14th Street, NW, in order to permit flexibility for a dog day care center use at the ground floor of the project. This statement supersedes the one filed with the Zoning Commission on March 24, 2014.

At the public meeting on June 30, 2014, the Commission decided to hold in abeyance the setdown of this application. Based on the enclosed revised statement and in light of the pending proposed text amendment for dog day care centers, we respectfully request that the Zoning Commission setdown the application for public hearing.

Sincerely,

HOLLAND & KNIGHT, LLP
