AMERICAN UNIVERSITY - COMMUNITY MEETING
7 p.m. Tuesday, September 27, 2005

AGENDA

1. Introductions
2. Facilities Update (School of International Service & Other)
3. Students
4. Parking & Traffic
5. Other

Sally Ekfelt/ekfelt/Staff/President/AmericanU	To	marybresnahan@msn com
	cc	
09/15/2005 01:54 PM	bcc	
	Subject	AU - Community Meetings -- Sept 20 & Sept 27

A friendly reminder and an update:

American University will host two meetings in September -- one to review a specific project (the School of International Service building), the second to provide a fall semester update on a broader agenda of topics.

7pm Tuesday, Sept 20 -- School of International Service Building Meeting -- To continue the review begun earlier this year, we would like to provide a review & update our plans for the new building. This meeting will focus only on the SIS building. Please note the meeting location had been changed. to the SIS building lounge -- 1st floor of the SIS building. It's on the quad, next to the library.

7pm Tuesday, Sept. 27 -- Neighborhood Liaison Committee Meeting -- This is to update you on the start of the academic year, the opening of the Katzen Arts Center, a facilities review of various projects (including an SIS building update), and a discussion of other university-community issues of interest. The location for this meeting is the McDowell Formal Lounge (first floor, of the McDowell Residence Hall). This building is close to the President's Office, so parking is available in the lot behind the President's office building.

To help us plan for the appropriate number of seats, please respond to me Sally Ekfelt if you plan to attend either or both of these meetings.
Please don't hesitate to call if you have questions

Thank you.

Subject School of International Service Building Project -- Meeting

Dear Community Member:

To follow up on our conversation at the Feb. 23 meeting of the Neighborhood Liaison Committee, we will be host a meeting at 7p on Tuesday, March 15 to begin discussion of the School of International Service building project. We will meet in the Archives Conference Room, which is located on the 3rd floor of the Bender Library. There is parking available next to the library for those of you that will be driving to campus

American University officials will be present to begin to outline the project. At this first meeting, we will also have present our transportation/traffic consultant

We suggest that each community organization might want to have a representative attend this and future meetings. We envision that we will be meeting to discuss this project almost monthly through 2005. Please let us know if you or someone from your organization plans to attend this first meeting

Thank you very much for working with us.

Subject AU - NLC Meeting

Dear Neighbors,

Our next AU Neighborhood Liaison Committee meeting will be held on:

Wednesday, February 23 at 7:00 p.m.
University Library
Library Archives Conference Room, 3rd Floor

Free parking is available for those driving in the Bender Arena parking garage. Additional parking is also provided next to the University Library. That lot is operated by meters.

I have provided a link (http://www american.edu/maps/campus.htm) of the campus map for directions should anyone need it. If the instructions are unclear, please feel free to contact me.

If you are unable to attend feel free to have someone else attend on your group's behalf. Please notify me if you are unable to attend, or someone else will be attending on the group's behalf.

Since the meeting is in the library, we will not be able to have food or drinks. As always if there are any questions, please feel free to contact me.

Thank you

Lorenley Baez

Subject AU Meeting on Sept 20 -- New Room Location

Kyle

This is to let you know that we have a room change for the meeting at 7p Sept 20 to review the School of International Service (SIS) building project We will now be meeting in the (current) SIS building lounge -- 1st floor of the SIS building It's on the quad, next to the library. It give us more room, in case the attendance grows

Perhaps you received my e-mail that after speaking with Hugh Mullane (ANC 3D commissioner/Wesley Heights), we will open up the meeting for attendance by interested neighbors from Wesley Heights. Hugh does not know just yet how many may come, but we wanted to have a venue to accommodate a larger crowd, in case we needed it

Meanwhile, if any Westover friends/neighbors also might want to attend, feel free to mention it to them . and let us know as best you can, so that we have enough chairs

Thanks for working with us on this

Subject Wesley Hts & AU Meeting

Hugh

Thanks for the time on the phone today To review some of the ideas we discussed (and hopefully, to help clarify the meetings, options & opportunities)

7p Tues, Sept 20-- This meeting will focus just on the School of International Service project For now, it's scheduled for the Library Archives Conference Room, 3rd floor, Bender Library If it looks like the attendance might grow, we will seek another venue on campus Jorge Abud & I think it's fine to "widen the circle" and let Wesley Heights community members attend if they wish As best you can, please provide a guess-timate of projected attendance, so that we have a venue to accommodate Since we will open this up to your community/constituents, I will convey this to Kyle Pitsor at Westover Place -- in case he wants to suggest this meeting to Westover residents who may wish to attend

7p Tues, Sept. 27 -- This is the quarterly session with neighborhood association leaders. The Zoning Commission suggested "an equal number" of community & university representatives. Jorge Abud (Assistant VP Facilities) and I help run the meeting, in addition, we typically have someone from Public Safety, Parking & Traffic, Campus Life, and others as warranted by the agenda Some meetings have drawn more than 20 attendees, others fewer than 10

Weds, Oct 5 -- This will be our appearance before ANC 3D to review the SIS project As you know, these meetings are "come one, come all."

I hope this helps clarify the options -- especially for the SIS-focused discussion (Sept. 20) Let me know if I've left anything out that we discussed on Tuesday Thanks for your help in this process.

Subject Sept 20 Meeting

Kyle

My President's Office colleague (Sally) indicated that you've RSVP-ed for the Sept 20 meeting Look forward to seeing you

Hugh Mullane of ANC 3D (Wesley Heights) called to ask if we could hold an SIS-focused meeting for his community I suggested that if some Wesley Heights community members would be interested, they can attend the Sept 20 meeting Hugh does not know how many might respond, but he will let me know.

With that in mind, I offer the same opportunity to you/Westover If any of your Westover neighbors want to attend the Sept 20 meeting to review the SIS plans, we are happy to accommodate. We will seek a backup venue, in case the projected attendance rises

We will update you in the next few days Otherwise, we look forward to the discussion on Sept. 20.

Subject Re October ANC Meeting

Alma.

Through this e-mail, I am passing along your recommendation regarding traffic analysis to Jorge Abud, so that we are prepared for the upcoming meetings (Sept. 20, Sept 27, and Oct 5) In addition, I am in conversation with Hugh Mullane about his Wesley Heights constituents and information they may need

The Sept 20 meeting will be a comprehensive (single focus) review of the SIS project Our Oct. 5 presentation at ANC 3D will also focus just on the SIS project.

The Sept 27 meeting agenda will likely include a number of topics -- but I am confident that we will review the SIS project in whatever detail is desired

Thanks for your ongoing assistance in our effort to inform the surrounding community

David.

I have put you on the October agenda. Your presentation will come late in the evening and as we get closer to the date I will have a better idea of time I hope you will bring a revised traffic plan as it is the traffic plan that has stirred the most concern from Wesley Heights residents If there is something that can be circulated ahead of time to the commissioners it might be helpful and save some time.

Can I assume you will be discussing the traffic plan at the meetings on the 20 and 27 of October?

David --

I am interested in setting up a meeting with you (and your colleagues) and residents of Wesley Heights Are you available the week of September 19th? Any evening that week would be good (except Wednesday) -- I would suggest that we start around 7·00 pm It would be great if we could meet on the AU campus preferrably at SIS Ideally you could give a presentation like the one you gave to the ANC Thanks in advance.

Subject RE Fall Meetings -- American University

Kyle.

Based on your response, let me suggest Tues, Sept 20 around 7p as a "pencil-in-date" for a discussion of the SIS building

We will probably try to assemble the larger, liaison group the following week (Sept. 27) to cover a larger agenda of issues (including the SIS project) Since you will be out-of-town for the second meeting, feel free to suggest someone else from Westover who might want to attend

I'll be in touch soon to confirm all of this and provde locations, assuming we can lock it all down. Thanks for working with us on this

David Taylor

Subject Fall Meetings -- American University

Kyle

We're scouting calendars for our next two community meetings, and will be seeking dates for mid to late September

First, we want to hold another "focused" session to review the School of International Service building plans Second, we will convene the larger group of area citizens association heads (Neighborhood Liaison Committee) to review a range of issues (including the SIS building)

I want to ensure that we include you/the Westover Citizens Association in our review of the SIS building Do you know (in general) your schedule for late September? The probable meeting days will be on a Monday, Tuesday or Wednesday and possibly Sept 19-20-21 or Sept 26-27-28 In general, would these dates work for you? Let me know how it looks, and we'll follow up

Thanks Hope you're doing well

Subject Update - re SIS Building & ANC 3D

Alma

Here's an update to my e-mail of yesterday (Aug 17) Actually, we have just filed the SIS application with the Zoning Commission, and in the next few days, we should learn of our review date before the commission As soon as we have that date, I will let you know so that we can plan our appearance before ANC 3D.

Thanks for helping us stay on top of things, and we will be in touch as soon as we have these particulars

Subject SIS Building & ANC 3D

Alma

Thanks for your voice mail inquiry about scheduling the next SIS building discussion before ANC 3D I commend you for working (in mid-August) on your autumn schedule for meetings/discussions I spoke with Jorge Abud about your inquiry and here's what we suggest

Since we have not yet formally filed our plans with the Zoning Commission and do not have a date for their review, we will not be seeking an early autumn discussion As we get into autumn, however, I will keep you informed of when the situation changes (i e , when we file and have a date for Zoning Commission review) Then it will be time for our return for a comprehensive review and discussion before ANC 3D.

I appreciate your wanting to ensure that we get scheduled, and will let you know as soon as I learn of the next steps.

Sincerely,

David Taylor
President's Office
American University
(202) 885-2121

PS -- On a separate matter, in the next few weeks we will begin scouting times for an autumn meeting of the liaison committee, after fall semester begins We will contact you soon regarding that as well

Subject Follow Up from American University

Dear Sarah

Thanks for your recent note Lorenley Baez has moved to another campus office, so feel free to continue to contact me with questions/updates In reponse to your questions regarding the Neighborhood Liaison Committee meetings and attendees-- we pursue a quarterly schedule of meetings with community organization representatives The last four were held on June 7, Feb 23, Nov 18 (2004) and Aug 18 (2004) We have not scheduled the next meeting, but it will likely be after the fall semester begins (late September/early October). Attendees at recent meetings have included

June 7 -- AU· Jorge Abud, David Taylor, Jerry Gager, Sara Waldron, Neighborhood: Dennis Paul, Georgianna Paul, Alan Pollock, Anne Sullivan,
Feb. 23 -- AU Jorge Abud, David Taylor, Jerry Gager, Hisham Khalid, Walter Labitzky, Tony Newman, Sara Waldron, Lorenley Baez, Neighborhood Mike Bilecky, Robert Herzstein, Dennis Paul, Alan Pollock, Lou Pugliaresi, Eric Rojo, Steven Spaller, David Wilson,
Nov. 18 -- AU Jorge Abud, David Taylor, Nick Calkins, Jerry Gager, Hisham Khalid, Walter Labitzky, Tony Newman, Neighborhood Ellen Berlow, Mike Bilecky, Mary Bresnahan, Anthony Byrne, Wes Eagan, Alma Gates, Robert Herzstein, Cas Heuer, Donald McMullin, Dennis Paul, Alan Pollock;
Aug. 18 -- AU· Jorge Abud, David Taylor, Jerry Gager, Hisham Khalid, Walter Labitzky, Sara Waldron, Lorenley Baez, Neighborhood Mary Bresnahan, Anthony Byrne, Mike Bilecky, Alma Gates, Chuck Hamilton, Don McMullin, Dennis Paul, Kyle Pitsor, Alan Pollock, David Wilson

In addition to the liaison meetings, we have held three meetings this spring (May 17, April 19, and March 15) to review the School of International Service project; and as you know, we will discuss this before ANC 3D on July 6, and before ANC 3E on July 14 Attendees have included

May 17 -- AU Jorge Abud, Jerry Gager, Hisham Khalid, Mike Purcell, Lorenley Baez, Neighborhood: Sarah Shapley, Dennis Paul;
April 19 -- AU Jorge Abud, David Taylor, Yvonne Knight, Hisham Khalid, Jerry Gager, Mike Purcell, Neighborhood· Kyle Pitsor, Mike Bilecky, Dennis Paul, Don McMullin,
March 15 -- AU· Jorge Abud, David Taylor, Yvonne Knight, Jerry Gager, Mike Purcell, Hisham Khalid, Alan Brick-Turin, Neighborhood Mike Bilecky, Alan Pollock, Anne Sullivan, Sarah Shapley, Robert Herzstein

In addition to these sessions, American University representatives continue to meet with the Fort Gaines Citizens Association to review progress on the Katzen Arts Center We have done this throughout the project, to ensure two-way communication Recent meetings have been held June 21, January 26 and October 28 (2004)

I hope this conveys the ongoing efforts and commitment that American University has invested in keeping the surrounding community informed and our communications intact Thank you for your assistance in this, and please let us know if you have any questions We look forward to our appearance before ANC 3D on July 6

Subject Re ANC 3D Meeting - July 6

Alma

Thanks for the reply to my e-mail Here is some clarification for you

We had a liaison meeting on June 7 and the Kogod project was discussed (along with a School of International Service update and a tour of the Katzen Arts Center) No one raised objections If you would like more information, you might contact Dennis Paul (who lives on University Avenue). Alan Pollock also attended, and though he lives in the ANC 3E area, his neighborhood (Ft Gaines) is the closest to the Kogod project site To further assist with public information, I was planning to contact the citizen association chairs for Westover Place and Spring Valley/Wesley Heights, to inform them of our scheduled appearance on July 6 before ANC 3D to review the School of International Service building and the Kogod project as needed

As you know, the Kogod project is small (less than 2,200 square feet), is basically a building connection, and does not affect the student population nor the campus traffic in any way Please let me know if you have additional questions

David Taylor

Subject American University Projects & ANC 3D Meeting

Dear Lou & Kyle

I wanted to let you know that on July 6 at the regularly scheduled ANC 3D meeting (at the auditorium adjacent to Sibley Hospital), American University representatives will discuss the School of International Service building project, which has been an agenda topic at our recent neighborhood liaison committee meetings In addition, we are seeking ANC approval of a small project that we reviewed at the June 7 liaison committee meeting (and also reviewed at the June 1 ANC 3D meeting), this project is a connection between two existing campus buildings -- the Kogod School of Business and the Butler Instructional Center. The connection (which will be less than 2,200 square feet), will enable the business school to have more teaching/learning space for its programs It will not impact the student population nor the campus traffic

If you would like more information on either of these projects prior to the ANC 3D meeting, let me know

Sincerely,

David Taylor
President's Office

Subject· AU Meeting re: New Building

Kyle.

I wanted to follow up on our last (quarterly) meeting of the AU/neighborhood group (Feb. 23), to say that among the things we discussed is the need for a separate group to meet almost monthly through 2005 -- to review the University's emerging plans for a new School of International Service building The site is the parking lot adjacent to the AU library, which is next door to the current SIS building.

The first meeting to launch this process is Tues, March 15 at 7p in the Library Archives Conference Room, 3rd Floor, Bender Library. We will have a transportation consultant present to discuss traffic impacts. (Last week you received an e-mail from Lorenley Baez about this meeting)

If you cannot make it, perhaps someone from Westover could attend. Let us know. Thanks.

	Subject	American University -- Follow Up

Ms Sullivan.

Your name & contact information was provided to us as an ANC representative who might have an interest in American University's plans, projects, and relations with the surrounding community. If so, we welcome your attendance and participation in our periodic meetings and discussions.

We convene a "neighborhood liaison committee" (NLC) on a quarterly basis throughout the year In addition to the quarterly gathering, we often have meetings with particular associations or interest groups to review specific issues or projects One such "additional" gathering will start in March and run almost monthly throughout 2005, this is to discuss and review our emerging plans to build a new School of International Service building on the AU quad, adjacent to the library.

We will be in touch in the next few days regarding a first meeting to discuss this project Otherwise, we expect to convene the NLC again sometime in May. We look forward to working with you

Sincerely,

David Taylor

Subject AU Follow Up

Kyle

Sorry you can't make the meeting on Feb 23 Of interest to you in the weeks ahead, will be the convening of a "sub group" to discuss AU's next planned facilities project -- the construction of a new building for the School of International Service The current SIS building is outdated & small, the new building will be built next to the current building, and is planned for what is now the parking lot adjacent to Bender Library

At the meeting on the 23rd, we hope to get a sufficient number of "volunteers" to meet with us on a regular basis into 2005, as tangible plans come forth I would think that Westover should be represented in these discussions.

Let me know if you or someone from Westover can work with us Just send me a name and contact info, and we'll be in touch Thanks much for your help

Subject AU/Neighborhood Relations

Mr Pugliaresi

I enjoyed meeting you via phone this evening to begin a communication line We read that you were the new president of the Spring Valley/Wesley Heights Citizens Association.

As part of the dialogue between AU and the surrounding community, we host quarterly meetings, with a handful of AU officials meeting with officers of the surrounding neighborhood associations Our next gathering will be 7p Weds, Feb 23 on the AU campus (in the library archives conference room, 3rd floor) We utilize these meetings as a means to update the neighbors regarding facilities plans and activities, as well as to hear from the community regarding issues or concerns

Typically, much of the community interest will focus on facilities planning, parking and traffic, student activities, and neighborhood/campus interactions At these meetings, we try to assemble AU officials who can respond appropriately to questions and address these issues. Key to this dynamic is the Assistant Vice President of Facilities, Jorge Abud, who along with me is a point person for the ongoing dialogue

My phone number at the President's Building is (202) 885-2121, one of my staff members, Lorenley Baez, assists me with outreach and scheduling meetings, so you will be hearing from her in the near future as well.

Perhaps we can meet in person for a more extensive personal introduction and orientation to American University and our campus/neighborhood dynamic Let me know if this would be helpful Also, please let us know if you can make the meeting on Feb. 23

Sincerely,

David Taylor
President's Chief of Staff
