To Whom It May Concern:

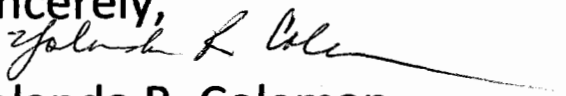

My name is Yolanda R. Coleman. I am a retired DC Public School Counselor. I have lived at 4001 Lane Pl., NE since 1978. My sister lived in the house from 1967 to 1978.

The residents of Eastland Gardens are not anti Parkside residents. We only want what is best for all. We have been a residential neighborhood since 1929.

We are very concerned that developers are insisting upon building hi-rise buildings , more town houses , a community college and a medical facility. This area would not be able to sustain the number of cars that would be generated by this building effort. Also, please consider the water tables that would be involved in this building effort.

Remember, our values correspond with citizens throughout this city.

Sincerely,

Yolanda R. Coleman
