In addition to the comments provided on April 8, 2011 DDOT includes the following information in further support of its position.

DDOT ANALYSIS

DDOT has read through the Applicant's loading management plan strategy and believes it is sufficient. The Applicant has agreed to prohibit unloading tractor trailer vehicles, from Kenilworth Avenue. Instead, those oversized vehicles will unload on Kenilworth Terrace once appropriate notice has been provided to the Advisory Neighborhood Commission and DDOT. The Applicant will seek DDOT's guidance for appropriate truck routing, scheduling and permits in order to park on Kenilworth Terrace in the Parkside neighborhood. This strategy will assist to alleviate community and transportation impacts.
