This letter serves to formally confirm that the Eastland Gardens Civic Association strongly opposes the proposed PUD modifications and amendments requested by Lano Parcel 12, LLC. We strongly concur with the formal opposition votes on all 3 cases by the majority of our ANC7D Commission on March 8, 2011. We strongly concur with the opposition votes on all 3 cases by our ANC Single Member District representative (7D02).

HISTORICAL OVERVIEW

The Eastland Gardens Civic Association was founded in 1935 to unite residents and protect the collective interest of property owners, renters, and residents of this immediate geographical area (EG and Kenilworth). The formal civic boundaries of our association are: To the South, the Watts Branch Tributary; To the East, Interstate 295 (CSX Railroad Tracks); To the West, the Anacostia River, and to the North, Eastern Ave (DC/MD Border). Our association boundaries consist of approximately 4,000 residents.

The various Parkside parcels in question are within 1 block of the southern boundary for our civic area. The parcels in question are also within the boundaries of the same ANC Single Member District (7D02), as is most of Eastland Gardens. The entire area lies within Census Tracts 96.1 and 96.2 and we are all located within the boundaries of Commission ANC7D and within MPD PSA 601.

WHY WE OPPOSE THSE LANO PARCEL 12, LLC PROPOSALS

It is our strong belief that the proposed modifications and amendments will negatively impact our property values, our quality of living, and our collective senses of peace and tranquility. Without publicly sharing their intent and a consistent set of plans, the developer proposes radically transitioning what has historically been a residential community into an area consisting of a "hodge-podge" of institutional structures which will severely overshadow the traditional residential setting of our historically designated African-American neighborhoods.

We are therefore requesting Party Status in the upcoming proceedings for case # 05-28E on April 4, 2011 and for case #'s 0528B and 05-28C on April 18, 2011.

We respectfully ask that the Commission allow our requested status for the April 4th hearing, even though this request comes later than current statutes allow. The filing date was missed due to the complexity of the various cases and their differing hearing dates. Our organization consists of volunteers who have separate professional obligations and personal lives. We do not have salaried administrative staff or legal counsel. So, we ask that you please forgive this administrative oversight of the actual filing deadline for the April 4th hearing.

We hope that this letter and attached Party Status Request Form are sufficient and addresses any related questions or concerns as to our position on the proposed modifications and amendments by Lano Parcel 12, LLC.

The appropriate ANC officials and officers of our civic association will receive copies of this letter via email transmission.

If anyone has additional questions or need additional information, please contact me at (202) 550-4612.

Sincerely,

Greg Rhett
President
Eastland Gardens Civic Association
