This is a request I just received from Commissioner Fred Grant.

Also the first fax that was sent did not include the 2 letters from EYA + Douglas Development in which they both deny the statements made about their companies in Judi Jones Personal Report.

Commissioner Sara Green
Secretary
ANC 4B

Commissioner Cherita Whiting
Chairperson
ANC 4B

Dear Commissioners Green and Whiting:

At last night's meeting of Advisory Neighborhood Commission 4B, we voted on whether to accept Commissioner Judi Jones' motion regarding the development at 6000 New Hampshire Avenue. At first, I voted for the motion. However, before Commissioner Green added up the votes, I indicated that I wanted to change my vote. I do not want to support Commissioner Jones' motion to reject the PUD application for 6000 New Hampshire Avenue. As the Commissioners were discussing how to administer a reconsideration of my vote, Commissioner Jones moved to adjourn.

By this letter, I am indicating to both of you that I do not support Commissioner Jones' motion and I would like my vote changed in the minutes of yesterday's meeting. If you have any questions about this matter, please call me.

Per Robert's Rules of Order and I quote "any member has the right to change his vote. Article VIII Number 46. Voting.

Per Robert's Rules of Order and I quote "this motion can be made while any other question is pending, even if another member has the floor, or after it has been voted to adjourn, provided the chair has not declared the assembly adjourned, which our chairman did not.

Sincerely,

Frederick Grant
Commissioner, ANC 4B03

Cherita, just to clarify our current position on the development of the land we own adjacent to the C.V.S. We plan on building approximately 85 garden apartments, no commercial, retail at all. The development will basically be a matter of right. No P.U.D. just a small zoning matter, no changes to the zoning are contemplated at this time. All previous concepts and amenities packages are dead.
