As recorded:

COMMISSIONER JEFFRIES: You stated that 272 residents, and we got the big folder, voiced opposition. I'm wondering whether, were there a number of people that you spoke with who were supportive of the development?

DR. MARTIN: The support that I heard was what you heard today, and (so) (no) I did not tally the number of persons who were in support, nor did I tally the number of persons who were in favor or what was his position.
