RE: Case No. 05-31: Georgetown University Business School & Multi-Sports Facility

Dear Madame Chair and Members of the Board

On November 17th, 2005, The Burleith Citizens Association held its board meeting where the above-referenced item was discussed and the following motion was made that was unanimously passed on November 21, 2005

WHEREAS, Georgetown University proposes to build a new Business School and complete renovation of Harbin Field

WHEREAS, both of these projects will be heard by the Zoning Commission on November 28, 2005

WHEREAS, Georgetown University presented both of these projects to the Burleith Citizens Association at its community meeting on October 12, 2005

WHEREAS, both of these projects are part of the University's 2000 Campus Plan and were discussed with the Burleith community during the development of that Campus Plan

WHEREAS, the Burleith community does not object to either of these projects as long as Georgetown University remains at its current cap of 4,080 parking spaces and commissions a parking and traffic study in the near future, the results of which will be shared with the Burleith community for their comments AND

WHEREAS, Georgetown University continues to abide by the existing moratorium on 7.00 AM - 9:00 AM and 4:00 PM - 7.00 PM start times for all events on Harbin Field and the new Multi-Sport Facility with anticipated attendance of more than 100 visitors as established in the original 2000-2010 Campus Plan (BZA Application No 16566) AND

WHEREAS, Georgetown University will maintain free parking on its campus on the weekends and a minimal charge of $1 to $2 for weekday parking.

THEREFORE BE IT RESOLVED, the Burleith Citizens Association supports Georgetown University's application pending before the Zoning Commission to build a new Business School and to finish the renovations of Harbin Field.

Sincerely,

Lenore G. Rubino
