Plat for Building Permit of SQUARE 1321 LOT 817

Scale: 1 inch = 200 feet Recorded in A & T Book Page 3575-Z

Receipt No. 17222

Furnished to: SHAW PITTMAN

Surveyor, D.C.

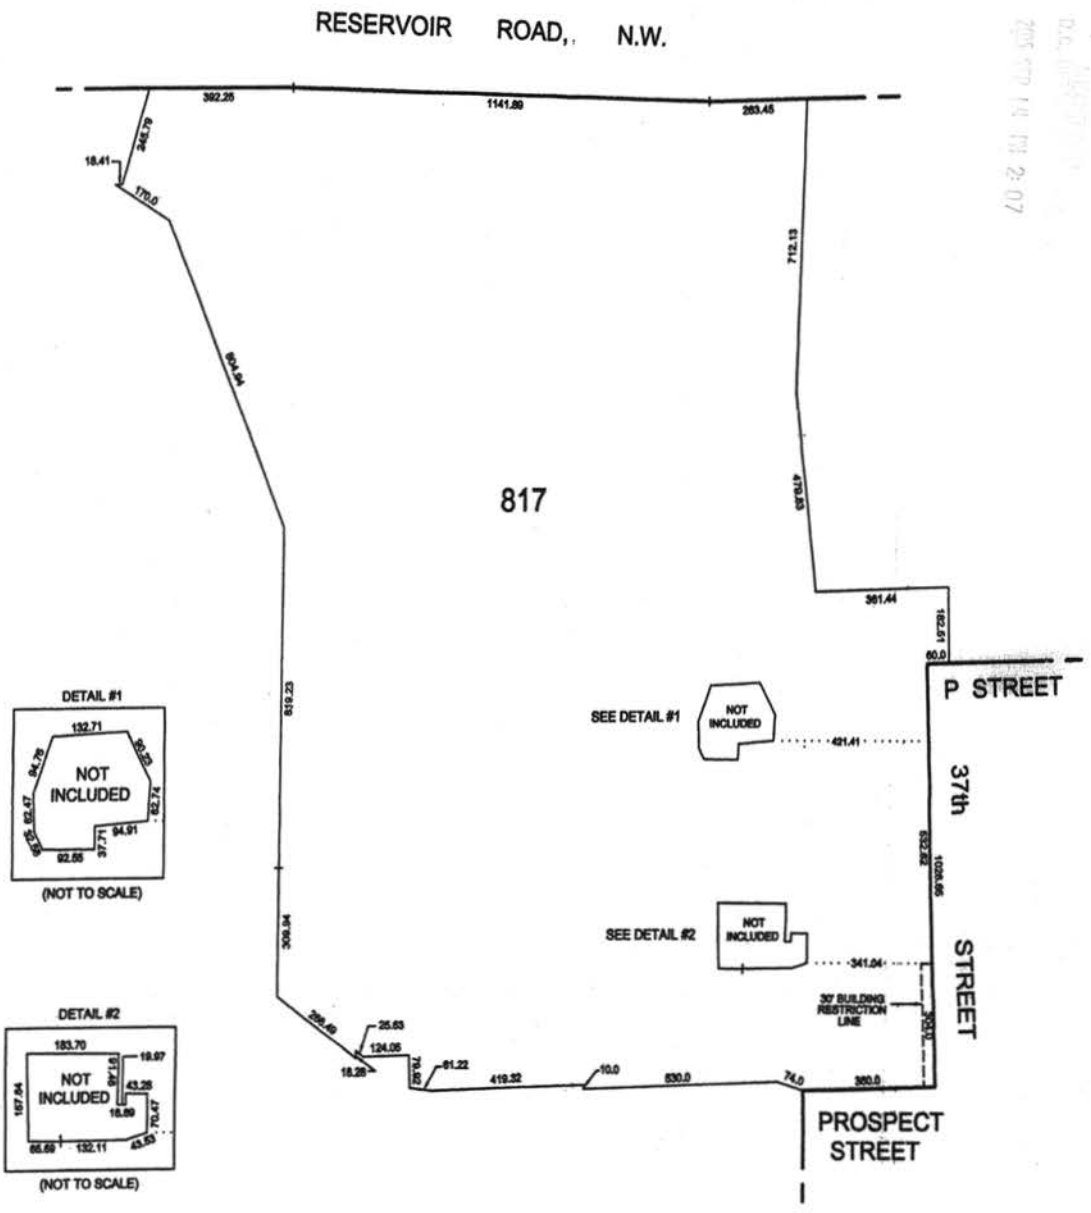

By: L.E.S.

I hereby certify that all existing improvements shown hereon, are completely dimensioned, and are correctly platted; that all proposed buildings or additions, or parts thereof, including covered porches, are correctly dimensioned and platted; and agree, with other improvements the subdivision, that the Surveyor shall not accept, approve or permit any improvements to be erected on the property which encroach upon the public space or violate any building restrictions, and that it is further certified that all improvements, existing or proposed, required by the Zoning Regulations to be located by a licensed surveyor, are shown hereon; and that the owner has authorized the making of this plat and that owner and the undersigned understand that any deliberate misstatement or misrepresentation on this or accompanying plat may void the action hereon requested, and that any permit issued based on such misstatement may be revoked without notice. I further agree that the establishment of the grades by the Department of Transportation, Government of the District of Columbia, shall be binding upon me and my successors in title, and that I will not construct or maintain any areaway, step, basement or other structure or facility in the public space at variance with the established grades, except as may be authorized by the Department of Transportation. I further agree to indemnify and save harmless the District of Columbia from any damage to any structure or facility in the public space which may occur by reason of any change in the established grades adjacent to my property. (This section is not required when the application is signed by the owner.)
